

**PROCEEDINGS OF THE MONTHLY REIVEW MEETING ON  
KARNATAKA INTEGRATED AND SUSTAINABLE WATER  
RESOURCES MANAGEMENT INVESTMENT PROGRAM  
(KISWRMIP) HELD UNDER THE CHAIRMANSHIP OF CHIEF  
ENGINEER, KNNL, UPPER TUNGA PROJECT ZONE, SHIVAMOGGA  
ON 05.03.2016**

List of Officers present: Enclosed separately.

The Chief Engineer, KNNL, UTP Zone, Shivamogga head of the Project Implementation Office (PIO), KISWRMIP welcomed the officers of KNNL & Project Support Consultants (PSC). The Chief Engineer thanked PSC for organising one day workshop on Construction Management and Quality Control and urged to organize similar workshops in the near future.

The progress of PSC with regard to Tranche-1 activities during Febraury 2016 was reviewed. Mr. R. Doraiswamy, Deputy Team Leader from SMEC presented the progress of activities.

The Deputy Team Leader reported that they have submitted the Draft Inception report to the PMU, KNNL, Bengaluru and received suggestions and comments and the PSC is working on the same.

With regard to Institutional Strengthening, the Deputy Team Leader reported that the discussions with WALMI on training for engineers and WUCS members have been expedited and the preliminary draft training needs assessment questionnaire has been prepared which will be further discussed with PIO.

Further, with respect to integration of various on farm activities through WUCS, the Deputy Team Leader reported that the discussions with officers of concerned departments like Agriculture, Animal Husbandry and Fisheries. The information pertaining to training programs, schemes, and other programs carried out by these departments to enhance livelihoods were being collected.

The Deputy Team Leader stated that, as the agency has mobilized men and machinery for the work of Modernisation of Gondi canals, social and environment safe guards measures are being prepared to train the KNNL engineers and the contractor company. The Social development and gender action plan is also taken up by PSC.

With regard to Participatory Irrigation Management, the Deputy Team Leader presented the draft benchmarking format which will be discussed with PIO and finalised. This will be canvassed with WUCS to elicit information on the actual status of WUCS and to evolve training program accordingly. The awareness materials prepared earlier were shown and the same will be discussed and finalised at PIO and PMU.

Further, the Deputy Team Leader reported that the preparation of Management of Information System (MIS) website for KISWRMIP is under progress and the website will be fully functional as early as possible.

CV's of some of the candidates for WUCS Support Service Team (SST) were reviewed. The Chief Engineer informed PSC to present some more CV's to PIO for discussion and concurrence before sending the recommendation to PMU.

The Chief Engineer suggested PSC to contact the respective members of PIO directly while carrying out the field activities concerning them.

The meeting concluded with the vote of thanks by the Chair.
